

REPORT OF HOW IS THE WORK IN MAHATSINJO GOING

We have got more bricks (35.000) now to continue the building. I was in Tana last week and I inform it to our bishop Right Revd Jaona. It is a good news for him to hear that the work in Mahatsinjo have been starting again because of your support, and He asked me to pass you his grateful and from of the diocese of Tananarive.

So the new congregation in Mahatsinjo are in the hopeful and happiness. They write to you a short letter to show their grateful. I will send next this letter

The children in Mahatsinjo are also a benefactor of the feeding project. They are in prayer: God bless our friends in Blean. Through them you give us this delicious food, bless also our food so it brings for us a healthy body and intellectual mind. In the name of Jesus Christ our Lord amen!

They ate in happiness and they felt full up to go to their home. Their parents was very happy.

I want to inform you how many children are fed each month:

- St James Ambatondrazaka: 80
- St Michael Ambohidava: 70
- St Paul Manakambahiny: 58
- New Church Mahatsinjo: 45

Total: 253 Children.

We feel that the numbers is so increased, and they are assiduous to go to church. God bless you, God bless our link.

Revd Olivier
